## **Headlines**

### **Advocacy Needed as soon as possible with the Chicago City Council**

**Urgent Action Needed Again to preserve Chicago's ability to discipline police officers for serious misconduct** – Demanding that the Chicago City Council vote at its upcoming meeting to affirm its vote in December to disapprove the gutting of police accountability through arbitration that overrides police disciplinary proceedings

- Every vote is needed, and Alders are under intense pressure from the Federation of Police to change their vote.
- 1. Write and phone your Alder to ask that she or he vote to override the decision of an arbitrator that police officers can escape accountability for serious misconduct by removing disciplinary proceedings to secret arbitration, which has a history of exonerating police officers that CPD has charged with serious offenses
- 2. Call each of the following alders, who may be wavering on the issue, as soon as possible"
  - call Bennett Lawson (44<sup>th</sup> Ward) at 773- 525-6034 and Ruth Cruz (30<sup>th</sup> Ward) at 773-628-7874 to -
    - thank them for voting to override the arbitrator's decision and
    - to ask them to vote again to override that decision on Wednesday to preserve public safety
  - call Nicole Lee (11<sup>th</sup> Ward) at 773-254-6677, who voted against the override in December
    - to emphasize the threat that the arbitrator's decision poses to public safety and
    - to ask her to vote to override the arbitrator's decision.

### Highlights from the 2022 Spring session of the Illinois General Assembly –

- Overall, the battles in the 2022 session, as in the past, focused on defending against attacks on prior reforms and defeating punitive bills, proposing sentencing enhancement and additional restrictions on the activities of those who have been convicted and served their time, which trend to figure as “accomplishments” in candidate mailings but cause great harm and do little or nothing to contribute to public safety.
- Defending Fundamental Reforms – There was a successful effort to head off amendments to the justice reforms enacted a year ago (in the “SAFE-T Act”, which included the Pretrial Fairness Act), but the last-minute approval by the House (but not the Senate) of changes to the Act underlines the fact that major efforts will continue to be needed from now on to protect those reforms at any time that the legislature is in session.
- New Felonies and Penalty Enhancements – With the help of our witness slips, the advocacy community defeated bills that would have created a new felony for tampering with an electronic monitoring device and penalty enhancements that to single out attacks on employees of the Department of Children and Family Services, which are already subject to severe penalties.
- Confidentiality of Juvenile Records – The bill that would have compromised the confidentiality of juvenile records also failed to pass.
- Retail Theft – A big accomplishment of the advocacy community and the victims’ rights community, which we supported with our witness slips, was to water down the much-hyped retail theft legislation proposed by the Retail Merchants Association with the support of Attorney General Kwame Raoul, which would have increased penalties for retail theft across the board, in spite of the fact that retail theft in Chicago is at its lowest level in decades and that the threshold for treating retail theft as a felony in Illinois is already among the lowest in the country. While disappointing, the penalty enhancements in the bill that passed are limited to narrower situations such as the actions of certain organized theft rings and theft that causes property damage.
- Lifetime Restrictions on Those Who Have Served Their Sentences. Among the disappointing outcomes in this session was the failure to pass the bill that we supported that would have repealed the law prohibiting people convicted of felonies from acting as an executor of an estate. Our witness slips contributed, however, to the defeat on a 13-13 tie vote in committee of HB2538, which would have restricted those convicted of a felony from being licensed the general contractor, adding to the

hundreds of Illinois laws that already restrict the ability of people who have served their time to earn a living. Unfortunately, as Ben reports, we were unable to defeat the bill expanding the categories of fairs and other such events in which of sex offenders (broadly defined) are prohibited from working for the rest of their lives.

- Carjacking – Like so many other areas, this is one in which little can be accomplished by additional legislation, but in which legislators feel political pressure to do something. Of the proposals that were floated, the bills that passed create a new felony for possessing a key fob to unlock a car door with the intent to commit a theft or a felony and provisions to assist victims of car theft to pay the resulting red light and speed camera tickets and towing and storage fees.

## 2021 Enactment of the SAFT-T Act, Including the Pretrial Fairness Act and the Elimination of Cash Bail

In addition to eliminating cash bail, The Pretrial Fairness Act enacted a comprehensive reform of the system of pretrial proceedings and detention pretrial:

- It conditions pretrial detention on judicial determination that the accused is a flight risk or a danger to other people
- It reformed the process for violations of pretrial release conditions;
- It requires reconsideration of detention and release conditions at every court date;
- It ensures people who are on electronic monitoring pretrial receive time-served credit and guaranteed movement permissions;
- It authorizes law enforcement to release people charged with low-level offenses instead of holding them until they can appear in court;
- It reformed the warrant process;
- It regulates risk assessment tools; and
- It ensures transparency and oversight through data collection, publication, and ongoing advisory groups.

### Advocacy with Governor Pritzker to Address Justice Issues

Go to

<https://www2.illinois.gov/sites/gov/contactus/Pages/VoiceAnOpinion.aspx>

to write to Governor Pritzker, asking him to:

- Exercise his executive clemency powers in an expansive manner to address the historical harms and injustices of mass incarceration
- Encourage IDOC to use its discretion to release elderly people over age 55 with less than 12 months to serve and people serving Class 2-4 felonies.
- Commute the sentences of anyone over the age of 60.
- Encourage IDOC to expedite credit restoration, implementation of discretionary release programs, and every other step necessary to bring IDOC's population back to capacity.

### Illinois Department of Corrections

Urgent Action Needed Again to preserve Chicago's ability to discipline police officers for serious misconduct  
– Demanding that the Chicago City Council vote at its upcoming meeting to affirm its vote in December to disapprove the gutting of police accountability through arbitration that overrides of police disciplinary proceedings

- Every vote is needed, and Alders are under intense pressure from the Federation of Police to change their vote.
3. Write and phone your Alder to ask that she or he vote to override the decision of an arbitrator that police officers can escape accountability for serious misconduct by removing disciplinary proceedings to secret arbitration, which has a history of exonerating police officers that CPD has charged with serious offences  
[Find your Ward, your Alder and the Alder's Phone number here](#), by entering your Street Address
  4. Call each of the following alders, who may be wavering on the issue, as soon as possible"

- call Bennett Lawson (44<sup>th</sup> Ward) at 773- 525-6034 and Ruth Cruz (30<sup>th</sup> Ward) at 773-628-7874 to -
  - thank them for voting to override the arbitrator's decision and
  - to ask them to vote again to override that decision on Wednesday to preserve public safety
- call Nicole Lee (11<sup>th</sup> Ward) at 773-254-6677, who voted against the override in December
  - to emphasize the threat that the arbitrator's decision poses to public safety and
  - to ask her to vote to override the arbitrator's decision.

Filing Online Witness Slips Online for Committee Hearings in the Illinois General Assembly,

as a proponent of important bills that need our support and  
 as an opponent of bad bills that we need to oppose.

It takes less than a minute, and it makes a difference:

It is important to emphasize:

- a. the importance in these battles of committee hearings, and the witness slips that we submit in advance of those hearings, because failure of a bill to “make it out of committee” can prevent it from being considered, and
- b. the importance of the challenging work that takes place during the last week of a legislative session, when new bills are floated and amendments adopted in floor votes, often without much notice.

Contact Avalon Betts-Gaston [avalon.betts-gaston@saferfoundation.org](mailto:avalon.betts-gaston@saferfoundation.org) of The Alliance for Reentry and Justice at to get on her distribution list for urgent messages with the legislature is in session about opportunities to fill witness slips online
