Filing Online Witness Slips Online for Committee Hearings in the Illinois General Assembly,

as a proponent of important bills that need our support and

as an opponent of bad bills that we need to oppose.

It takes less than a minute, and it makes a difference:

It is important to emphasize:

- a. the importance in these battles of committee hearings, and the witness slips that we submit in advance of those hearings, because failure of a bill to “make it out of committee” can prevent it from being considered, and

- b. the importance of the challenging work that takes place during the last week of a legislative session, when new bills are floated and amendments adopted in floor votes, often without much notice.
